7. On 22 October, the Ludendorff Kaserne was occupied by a signal unit of about 400 troops. 

25X1

8. On 24 October, the Siegfried Kaserne was occupied as previously by a guard detail of troops wearing black-bordered black epaulets with signal insignia. Between 16 and 24 October, source did not observe any training activity in the barracks area. A new antenna was observed on one of the quartering buildings in late September. 

25X1

9. On 24 October, almost no activity was observed in the Ludendorff Kaserne. Sentries observed wore black-bordered black epaulets with signal insignia. 

10. On 24 October, the Schlieffen Kaserne was occupied by about 250 troops wearing black-bordered black epaulets with signal insignia. Most of the troops were equipped with winter uniforms. No training activities were observed between 16 and 24 October. Troops were frequently seen engaged in a game of soccer. The building in the northwest corner of the installation was being surrounded by a board fence, with an entrance on Heinrich Zille Strasse. Reconitioning work was under way in the entire barracks area and in many buildings. In addition to the building in the northwest corner, two more buildings on Heinrich Zille Strasse were occupied. 1
